

S/4HANA Private Cloud Upgrade Delivered Across 25+ Countries in 6 Months

CLIENT SUCCESS STORY

Facing the December 2025 end of support for S/4HANA 1809 (Private Cloud / SAP HEC), this LATAM and Caribbean telecommunications provider partnered with Aevitas to deliver a critical upgrade – ensuring system continuity, security compliance, and integration with key SAP solutions including Ariba, Concur, GRC, and OpenText VIM.
